

BIOGRAPHY

Mr. T. Aditya Sai Srinivas, serving as the Head of AIML and Assistant Professor at Jayaprakash Narayan College of Engineering, Mahabubnagar, Telangana, brings a wealth of expertise to the field. With a B.Tech. in Computer Engineering from G. Pulla Reddy Engineering College, Kurnool (2008), an M. Tech in Computer Science from Rajeev Gandhi Memorial College of Engineering and Technology, Nandyal (2012), and a Ph.D. in Internet of Things (IoT) from VIT University, Vellore, Mr. Srinivas' research area encompasses Deep Learning and Machine Learning in Healthcare Domain. With over 12 years of teaching experience in Computer Science and Engineering, Mr. Srinivas has authored over 35+ papers in reputable journals and conferences indexed in UGC Care/Scopus/Web of Science, alongside 2 published patents. He has curated and participated in numerous academic events including seminars, workshops, conferences, Faculty Development Programs (FDPs), webinars, and video conferences, and is a proud member of ISTE. On behalf of the esteemed editorial team at "Journal of IoT-based Distributed Sensor Networks," published by MAT Journals Pvt. Ltd., Mr. Srinivas extends heartfelt appreciation to all stakeholders. The journal's primary objective is to champion research projects, white papers, case studies, and succinct contributions from academia, industry professionals, and research scholars. Upholding a stringent review process, the journal ensures quality assurance through the diligent evaluation of submissions by subject matter experts, with authors receiving constructive feedback to enhance their work. The passion and dedication exhibited by authors in their pursuit of excellence and desire to publish in our journal are truly commendable. Mr. Srinivas extends sincere congratulations to all academics, industry professionals, and researchers who have enriched the journal with their invaluable contributions. With a steadfast commitment to continual improvement, Mr. Srinivas envisages elevating the journal's standards to provide unparalleled service to all stakeholders.

Warm regards,

Mr. T. Aditya Sai Srinivas
Head of AIML, Assistant Professor
Jayaprakash Narayan College of Engineering, Mahabubnagar, Telangana
