S. Meera

I (S. Meera) obtained the B.E. degree in Computer Science and Engineering from Oxford Engineering.

I received my M.E. degree in Computer Science and Engineering from Pavendar Bharathidasan College of Engineering and Technology in Tiruchirappalli (Anna University, Chennai). I am pursuing a Ph.D. at Anna University. I have been teaching in the Department of Computer Science & Engineering since 2008, with 14 years of expertise. I have published papers in reputable international journals and attended various FDPS events to advance my profession.

I am an editorial member for a few journals and a regular reviewer for international journals and conference proceedings. I currently work as an Assistant Professor in the Department of Computer Science and Engineering at Sri Sairam Engineering College, Chennai. My area of Interest are Theory of Computation, Programming, Compiler, Cloud Computing, Artificial Intelligence.
